

The "Runway" Suite (G0)

The "Runway" suite

Due to a sudden change in circumstances, there is now a chance to let this "wow factor" space that was designed to optimise modern hybrid working. At 120m² and with its own kitchen and private access to our highly sought-after 10-acre landscaped site, this is a "must see" space. As the North campus of Cambridge Innovation Park's rapidly expanding ecosystem it affords lease portability (the flexible upscaling option) to all its members across both existing and planned developments.

Integrated into a vibrant and rapidly growing entrepreneurial community, you will find likeminded people open to collaboration and will be supported through our extensive links to the renowned Cambridge business support community. With a range of superb current and future business and leisure facilities; ample parking; and a real focus on sustainable development, this is a must-view for ambitious companies looking to make their mark in Cambridge.

This particular 15+ person hybrid space is something very special. It comprises flexible Office/Lab/Meeting space with both open plan & private meeting rooms as well as a kitchen and private entrance.

Conveniently located North of Cambridge city, being close to the A10, it provides easy access to the A14 & M11/A1(M) and forms part of the hugely impressive modernisation plans that are being developed across our campuses.

In addition to being conveniently located, the park hosts a wealth of facilities, including ample parking, gym, café/bar, beauty salon, lots of green space and facilities such as showers, cycle shelters and EV charging points.

We are currently offering this unit on a 3 year rent deal of

£44,500 +vat pa inclusive of service charge
